## Description

Important still life from the 19th century in the spirit of the 18th century with a floral composition and fruit near a fountain. Beautiful composition very nicely balanced with a central bouquet of flowers including old roses, tulips etc ... in a large vase placed on an entablature. At the foot of the bouquet fruits and flowers in a landscape near a fountain flowing into a shell-shaped basin. Raindrops or dew appear here and there giving even more freshness to the whole whose colors have remained very vivid. A very beautiful composition, natural and lively. Beautiful quality gilt wood channel frame from the 20th century. 20th century relining. Beautiful still life in very good condition, ready to install, offering a superb decor. Dimensions: 96 cm long by 69 cm high for the canvas and 110 cm by 83
