### Description

**PAIR OF VASES JIKKI SHIPPO - JAPAN** Pair of vases in cloisonné lacquer on porcelain decorated with birds, butterfly and flowers on a bark background, geometric borders. Height 28 cm / Diameter 12 cm. Very decorative. MEIJI period (1868-1912). Cloisonné on porcelain is called Jikki Shippo. Pieces using this technique are quite rare because of their fragility at the time of manufacture: after shaping the porcelain vases, copper partitions are fixed with vegetable glue following a preliminary design.
