Description

3-hole mixer tap from the famous luxury brand THG in Paris, in partnership with Swarovski. Wedding Collection. Brand new in their original packaging. Ready to install. Contemporary lines, the marriage of porcelain and crystal for a jewel-like faucet. THG Paris has created a very luxurious series in collaboration with the Manufacture de Monaco, a famous porcelain maker who has the immense privilege of bearing the official title of "Patented Supplier to HSH the Prince of Monaco." Present in many countries, Monegasque porcelain is highly appreciated for its particularity and unique style. This series called "Wedding", with a contemporary-chic style, testifies to the undeniable know-how of these renowned companies. Symbolizing the marriage of porcelain adorned with a milky way

of transparent Swarovski crystals with a spout with fluid and refined lines finely crafted by THG artisans, Wedding brings luxury and modernity to the bathroom. The multiple facets of the crystals delicately affixed to the white and platinum porcelain crosspieces reflect the light with great softness. Thus adorned, the faucet transforms into a true jewel...
