

Louis XVI Style Mahogany Veneer Coffee Table - Late 19th Century

1 100 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Mahogany

Width : 55

Height : 74

Depth : 30

Description

Small refined serving table, made of inlaid mahogany veneer. Its upper tray, enhanced with an openwork brass gallery, features an elegant sunburst marquetry. The spacer shelf located at the bottom also features an openwork brass gallery and is decorated with sophisticated marquetry arranged in an open book. The whole rests harmoniously on two sculpted and openwork legs, gracefully ending in arches at their base and connected by a cut-out spacer.
