Description

This exquisite antique Italian chest of drawers, dating from the 17th century during the Louis XIV period, exemplifies refined craftsmanship and timeless elegance. Crafted from high-quality solid light walnut wood, it features a sleek, linear design accented by delicate relief decorations on the front of the drawers and sides, showcasing the sophisticated artisanship of Northern Italy's cabinet-making workshops. With its spacious four large drawers, this piece offers ample storage while serving as a striking decorative element. The warm tones of the walnut wood enhance its antique charm, making it a versatile addition to any room. To highlight its beauty, it can be complemented with a fine painting or mirror. Having undergone professional restoration using a conservative approach, the chest retains its
