Carved Walnut (?) Frame, Folk Art Circa 1900

850 EUR

Period : 20th century

Condition : Parfait état

Material : Solid wood

Width : 42 cm

Height : 57 cm

Description

A very surprising frame carved from a single wooden panel with plant decoration, in which are housed 4 portraits of cats at the corners, a satyr's head at the bottom and topped with a sculpted face. This astonishing sculpture of a single piece leaves a rather dark mystery hanging. On the reverse side we can clearly see the traces of the ribbon science that cut the panel, which allows us to date it around the 1900s.
