

Ottoman Kard - Türkiye

950 EUR

Period : 18th century

Condition : Bon état

Material : Metal

Length : 37.5

Description

This Ottoman kard features a finely curved, patinated metal scabbard adorned with an elegant gilded plant frieze along its entire length. The cylindrical metal handle flares slightly toward the top. An ornate brass ring with a loop fastener marks the junction between the scabbard and the handle. The overall effect is an elegant, understated, and functional piece. REGION: Turkey MATERIAL: Metal, steel PERIOD: Late 18th century DIMENSIONS: 37.5 cm; Sheath: 25.5 cm; Blade: 22 cm
