Antique Sideboard In Solid Wood And Marble

450 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Solid wood

Description

Antique sideboard in raw pitch pine and marble. Materials: solid pitch pine and white and gray marble top. Characteristics: old bathroom furniture, this small antique sideboard has two drawers in the upper part and a cupboard in the lower part opening with two doors. The interior is divided into two parts with a shelf each. The marble top has undergone an (old) repair on its left side, not very visible. Renovation: this small antique sideboard has been cleaned. It has also been completely sanded outside and inside to remove its brown varnish and regain the pretty patina of its old wood. It has then been treated against wood-eating insects. The marble top has been lightly polished and then polished with linseed oil. Dimensions: L80 x D45 x 108. Height of the top: 82. Drawers: L27.5 x H8. Cupboard:
