

Renovated Art Deco Chest Of Drawers

350 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Painted wood

Description

Art Deco style chest of drawers in painted wood. Materials: solid pitch pine and plywood. Features: this Art Deco chest of drawers with a mustache foot has four rounded drawers and cylindrical aluminum handles. Renovation: this Art Deco chest of drawers has been completely washed, then sanded (including the drawers) and treated against wood-eating insects. It has then been painted in the grayish off-white Ammonite shade by Farrow & Ball. Dimensions: L79.5 x D39.5 x H79. Drawers: L66.5 x H10. This Art Deco chest of drawers is undoubtedly a Fauvette not only of great charm with its look and its original handles, but also practical with its four storage drawers.
