Description

Large antique screen renovated. Characteristics: this large antique screen consists of three articulated panels upholstered (front and back) with a greige linen fabric with black checks and fine lines and edged with a greige braid matching the fabric. Renovation: this large antique screen has been completely sanded, then lightly stained and finally, protected with a colorless wax. It has been completely reupholstered on each side with a beautiful quality linen. Its hinges have been revised; however, one of them is incomplete and may make the opening (not the closing) of one of the panels more difficult. Panel dimensions: L64.5 x H188.5 x D2.5. Unfolded dimensions: L189 x H188.5. Folded dimensions: L64.5 x H188.5 x D9. This large antique screen will be a strong, timeless and charming piece in your
