Description

Soap Factory Rug / Aubusson Rug. Circa 1960A rectangular English green counter-field with floral braid, framed by ivory braid adorned with acanthus leaves and a bouquet of flowers in the salient corners, supports a spherical medallion, framed by a wreath of flowers and decorated in its center with a cylindrical composition with a sandblasted center. A rich ivory "molded" figurative frame with an ovoid border completes the ensemble. Pastel tones in the style of Aubusson rugs. Size : 264 x 171 cm Condition : Good
