### Description

This magnificent ring is a celebration of natural elegance and refined craftsmanship. Made in France, it showcases a luminous cultured pearl, with an exceptional diameter of approximately 12 to 13 millimeters, whose satiny luster immediately catches the eye. The drop is harmoniously balanced by a floral composition set with 52 brilliant-cut diamonds, for a total of 0.32 carats (H color, SI clarity). Each diamond is meticulously set in 18K yellow gold, bringing a touch of delicate sparkle to the organic silhouette of the piece. The floral motif gives the whole a romantic, vintage-inspired charm, while the modern proportions ensure a contemporary and easy-to-wear design. With a total gold weight of 3.60 grams, this ring is both lightweight and presentable. Ideal for collectors, fine jewelry
