

An 18th Century Marquetry Chest Of Drawers

2 400 EUR

Period : 18th century

Condition : Très bon état

Material : Wood marquetry

Width : 114 cm

Height : 83,5cm

Depth : 53 cm

Description

An 18th-century chest of drawers with a slight marquetry projection opening with five drawers on three rows in rosewood in amaranth frames and alternating light and dark wood fillets. Topped with its original "Gris des Pyrénées" marble, it was recently restored by its previous owners and has suffered very little damage, quite understandable for a piece of this period.
