### Description

This vintage 1970s floor lamp, made in Italy, reflects both the spirit of Mid-Century Modern design and the futuristic aesthetic of the Space Age style. Inspired by the space age, it blends sculptural forms and glossy materials in an original composition. The polished chrome structure captures the light and creates beautiful reflections. Three light modules, shaped like stylized flowers or propellers, are distributed along the central pole. Each combines a play of silver and gold chrome finishes, adding depth and subtle contrast. The light sources appear to float around the central stem, producing a dynamic visual effect between light, reflections, and transparency. The design recalls the work of great names in Italian design such as Goffredo Reggiani or Gaetano Sciolari. The floor lamp

rests on a stable circular base and presents a slender, well-balanced silhouette. Its sculptural presence makes it a strong piece, ideal as a focal point in a living room or a vintage design collection. Perfect for bringing a retro-futuristic touch to an interior, while creating a warm and original atmosphere.
