Description

André Gorse (1847-1989) (attributed to):
Pyrenean Landscape I », Indian ink wash and
sepia 17 X 25.5 cm, mounted by a double
marie-louise with gilt bevel in a gilt frame
decorated with egg leaves 35 X 43 cm accidents
and losses. Photo-oxidized sheet, some foxing,
but less than it appears in the photo because some
are simply the shadow of spots inside the glass
which will disappear when dismantled. This
charming Pyrenean artist who left us some very
beautiful lithographs gives us here a panorama of
the Pyrenees in the background from where a
gave still flows peacefully winding between the
trees in the plain. Do not hesitate to ask us for
photos or additional information by email or
telephone. Other photos and many other objects
in our shops in Pau and Biarritz.
