Period : 19th century

Condition : En l'etat

Description

André Gorse (1847-1989) (attributed to):
Pyrenean Landscape II », Indian ink wash and
sepia 11 X 17 cm, mounted by a double
marie-louise with gilt bevel in a gilt frame
decorated with egg leaves 32 X 37 cm (small
losses). Photo-oxidized sheet, some foxing, but
less than it appears in the photo because some are
simply the shadow of stains inside the glass
which will disappear when dismantled. This
charming Pyrenean artist who left us some very
beautiful lithographs gives us here a view at the
foot of the mountains where a broken bridge
overhangs the river. Do not hesitate to ask us for
photos or additional information by email or
telephone. Other photos and many other objects
in our shops in Pau and Biarritz.
