### Description

Female bust sculpture in terracotta from the Goldscheider factory. Very beautiful piece representing a young woman or an allegory of flora in naturalist and art nouveau style.

Magnificent sculpture in an incredibly very good original condition without any restoration and possessing its patina of time. Signature of the artist on the base and on the back part stamp of Friedrich Goldscheider with the usual mention, reproduction reserved. Very beautiful size, height 53 cm, giving a magnificent presence to this face which seems ready to move and to express itself. In summary a very beautiful work of art rare to find which will give to a beautiful interior an extraordinary muzzle cachet.
