Description

Italian cabinet at support heightBlackened wood and inlay19thCirca 1880Important rectangular cabinet at support height in blackened wood and inlay. The front with 4 slight projections opens at the top with three drawers, the central part having three doors, the uprights in pilaster, the whole resting on six large feet. It presents a rough chiseled decoration of cupids, figures under canopies, fantastic animals, trophies with musical, agricultural and hunting instruments. Missing: restoration estimate on request.
