

Beautiful Oil On Oval Canvas, "christ With The Reed", Spain, 17th Century.

500 EUR

Period : 17th century

Condition : Très bon état

Material : Oil painting

Width : 30 cms

Height : 39,9 cms

#### Description

Beautiful oil on canvas mounted on cardboard. Christ with a reed. Very expressive face, not too painful. Sad and pensive look. Drops of blood on the forehead. Very red lips. And very bright red tunic, reminiscent of blood. The reed is held on the right by the left hand. Halo of light around Christ's head. Spain probably, 17th century. The oval has certainly been recut, see the slightly irregular outline.
