Description

- Italian console table in carved and painted wood, Italian work from the 18th century. - This console table is distinguished by its rich decoration of floral garlands which delicately wrap around the legs and the spacer before developing into a festoon at the waist. This carved ornamentation is painted naturally, thus adding to the elegance of the decoration. - This console table is covered in Arlecchino marble, a protruding top with half-round angles which follows the contours of the design at the top of the console table. - Good condition. - Dimensions: Height: 84 cm, Width: 121.5 cm, Depth: 52.5 cm
