

Antique Powder Compact In 800 Sterling Silver - Early 20th Century

80 EUR

Period : 20th century

Condition : Très bon état

Material : Sterling silver

Diameter : 5,5cm

Height : 1cm

Description

Antique powder compact in solid 800 silver, silver-plated, dating from the early 20th century. It is decorated with a pretty floral motif with garlands of flowers, ribbons and small stars. The lid is mounted on a hinge with a pressure closure. Inside, the powder compact contains its mirror. It bears a boar's head hallmark as well as a goldsmith's hallmark to identify. In very good general condition, with some light micro-scratches due to use.
