Description
-------------

Coco Chanel Wall Sconces The gold floral wall sconces are attributed to Coco Chanel and date from the 1950s or 1960s. Coco Chanel was a famous French fashion designer, also known for her love of luxury and elegant design. The wall sconces are made of gold-plated metal and feature a floral motif typical of Coco Chanel's style. The shapes and lines of the candlesticks are reminiscent of flowers and leaves, giving them a feminine elegance. The gold-plated surface gives the chandeliers a luxurious look and adds a touch of glamour to any room. Coco Chanel is known to have had a passion for decorative arts and collected many art objects and furniture in her Parisian apartment. It is possible that she commissioned or selected these sconces to decorate her own home. Gold-plated metal wall
