

## Shona Knife, Zimbabwe

350 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Length : 20,5 cm

### Description

This elegant knife is the work of a Shona artist from Zimbabwe. It consists of a blade mounted on an ebony handle. The scabbard is, as is often the case, made from two woods of different colors. The whole is engraved with deep geometric patterns and decorated with brass wire. Good condition.
