Height : 43 cm

### Description

Rare sculpture subject "Centauress overturning a drunken faun". Our sculpture with dark patina is of superb quality. All the details are respected and perfectly executed. We recognize in the centauress the face of his favorite model, seen on many of his sculptures (the reader..... ). This joyful subject makes us think that the faun is holding out his cup in order to recover the wine contained in the jars. Very good condition.
