### Description

Lovely pair of gilded wood wall lights from the Napoleon III period. Very beautiful pair that has retained a superb gilding with three light arms decorated with numerous foliage, acanthus leaves and flowers. The wall lights depict two angels supporting three light arms. Each angel has its own facial expression and a slight difference in morphology. This gives it an original look. Superb patina and in magnificent condition. Delivery in Belgium, France and internationally. Visible in our showroom at 41 Rue Henri Wafelaerts, 1060 Brussels, Belgium.
