Description

This rare and superb Art Nouveau table embodies the elegance and attention to detail characteristic of this artistic movement. Crafted from solid walnut, this square table features six extensions and offers an ingenious modularity that can accommodate up to twenty guests, making it ideal for large receptions. Its remarkably large base is composed of wide feet adorned with sculpted motifs representing apples and their leaves, in perfect harmony with the naturalistic inspirations of the Art Nouveau style. Surrounding the table are large bronze pull handles depicting fruits, demonstrating the attention to detail and excellence of the craftsmen who crafted this exceptional table. A solidly integrated spacer ensures optimal support while adding to the fluid and structured aesthetic of the piece. An
