Description

Art Nouveau swallow necklace in 18-karat gold. Drapery necklace adorned with a pair of swallows holding a small flower and a fine pearl. The swallows are held by two chains and an element adorned with small flowers. A delightful motif from the early 20th century, swallows are symbols of eternal love since the pair of birds, once united, never separate. Eagle head hallmark Length: 44 cm - Pattern dimensions: 2.3 cm x 10.5 cm Weight: 3.28 gr
