

## Pair Of Murano Glass Sconces - Italian Artisanal Elegance

500 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Width : 24

Height : 36

### Description

A sublime pair of handcrafted Murano glass wall sconces, combining timeless refinement with Venetian craftsmanship. Each sconce is adorned with delicate, mouth-blown scrolls and floral motifs, typical of Murano glass art. The glass, crystal-clear or delicately tinted depending on the model, captures the light with a warm softness, bringing charm and sophistication to any interior. Ideal for: a living room, an elegant bedroom, a refined hallway, or a high-end decorating project.
