Description

Late 19th century glazed ceramic sculpture representing an elephant that can be used as a stool or a side table. Excellent condition for this sculpture with magnificent colors and a beautiful intact patina. Furniture, very decorative sculpture object that exudes an undeniable charm as is often the case with the works of this BIen Hoa factory in Indochina. Work brought back to France at the end of the 19th century and has remained in the same family ever since. Piece to be placed in a beautiful interior for a certain and unique decorative effect. Possibility of delivery by specialized carrier. Invoice and certificate provided.
