

## Triptych Reliquary - Late 18th Century

## Description

While retaining its role as an object of devotion, its rare flame shape makes our reliquary an exception and a collector's item. Made of polychrome and gilded wood, it houses three medallions dedicated to Saint Felicis Martyr, Saint Généroti Martyr also, and Saint Boniface finally. Their ex-ossibus relics are bagged and surrounded by a montage of cannetilles. An Italian work from the end of the 18th or the very beginning of the 19th century. On the back, attesting to their authenticity are three episcopal seals. Dimensions: 56 cm by 20 and 12 cm deep. Reference 717
