

Longwy Earthenware Fish Service, Copenhagen Model

240 EUR

Period : 20th century

Condition : Bon état

Material : Earthenware

Description

Elegant fish service in fine polychrome earthenware, Copenhagen model, made by the famous Longwy factory. Circa 1960. This beautiful set with stylized fish decoration is distinguished by the finesse of its graphics and the delicacy of its colorful palette, typical of Longwy productions of the mid-20th century. The service includes: 1 large serving platter 12 fish plates 1 matching sauce boat Each piece is signed Longwy on the reverse. A rare and complete set, ideal for a table with character or to enrich a collection of vintage French ceramics.
