

## Antique Hand-embroidered Canvas

390 EUR

Period : 19th century

Condition : Très bon état

Material : Linen

Length : 100 avec cadre

Width : 87 avec cadre

### Description

19th-century embroidery with a repeating pattern at regular intervals, probably with a printed design on the fabric beneath the embroidery serving as a guide. The background is hand-stitched, the floral decorations are embroidered in long stitch. It is a fragment, albeit a large one, 86x73 centimeters, of an embroidery that was certainly more extensive. In excellent condition. Framed and protected by glass.
