### Description

This workshop plaster cast represents the head of a man in the Antique style, perhaps a satyr. It is a preparatory work carried out by Charles Filleul, probably for a larger statue. It is very decorative. Regarding the condition, we note an accident on the nose and minimal cracks, traces of wear due to use. However, this plaster remains in a completely presentable condition. Our photos allow you to appreciate the quality of the object. Please examine the photos carefully. Do not hesitate to zoom in. The photos are an integral part of the description.
