Description

This 19th century work was created by Francis Goullin (1840-1913). The oil is beautifully presented, depicting undergrowth with a barrier in the foreground, in a gilded frame with stucco channels. The whole thing has a lot of allure. We point out that the work has not been restored, note small scratches in places, accidents on the frame. Our photos allow you to appreciate the quality of the work. For the condition, please detail the photos. Do not hesitate to zoom in. The photos are an integral part of the description.
