Description

A large glazed terracotta vase...From the 1940s...Completely unstructured...From the South West...With 3 mouths...!In good general condition...Underneath two firing defects (a lack of enamel and a crack in the mass, without problem)...An aggregate on the back...And two small color recoveries one in the middle and one at a neck...!The orange color is surprising...!It's anachronistic but nice...Weight ... 4 kilos 200/300 gr approximately
