### Description

Ariadne and Dionysus (Bacchus) on the island of Naxos, Large Oil on Canvas From the end of the 17th beginning of the 18th century. Large oil on canvas from the 17th century: Ariadne seduced by Dionysus on the island of Naxos. Very beautiful pyramidal composition of the scene with many characters, superb colors and details: the faces, the drapes, the positions, everything is remarkable in this painting of very high quality. We are witnessing the scene in mythology, where Ariadne, forgotten on the island of Naxos by Theseus after having helped him defeat the Minotaur and escape from the labyrinth thanks to the famous Ariadne's thread, is seduced by the god Dionysus. The composition is magnificent, the details and the colors are superb. A canvas of high quality, relined in the 20th century. No
