

Antique Chest Of Drawers From The 1750s (approximately) In Walnut Wood.

3 000 EUR

Period : 18th century

Condition : Très bon état

Material : Walnut

Length : 125

Height : 92

Depth : 57

Description

Antique chest of drawers from the 1750s (approximately) in walnut wood, Piedmontese manufacture (Italy), inlaid in light rosewood and olive wood, with decorations on the drawers and sides in raised panels. The piece of furniture has been restored in our laboratory and has returned to its original beauty. The locks are original, the keys have been repaired and redone, the drawers have been lined internally with Florentine lily paper.
