Description

Set of 4 Louis XIII Chairs, 17th Century. They are entirely covered with a rich new linen fabric printed with flowers, magnificent tulips... offering a modern contrast with the authenticity of the solid wood. The base is of a finely carved sinuous shape with its sheep bone-shaped spacers. Entirely original in solid walnut with its patina acquired over the centuries with its traces of wear due to its great age and use. They measure 110 cm in height, 48 cm in length and 48 cm in depth. The seat height is 50 cm.
