Bouffadou - 19th Century Mouth Bellows

180 EUR

Period : 19th century

Condition : Bon état

Material : Wrought iron

Length : 75 cm

Description

Bouffadou - Wrought Iron Mouth Bellows - 19th century. Made of wrought iron and slightly conical in shape, the distal part ends with a wide slot. The suspension hook is broken. The proximal part is swollen to facilitate contact between the lips and blowing. It is relatively long: 75 cm. In good condition. Note just a small hole in the proximal part.
