

Coffee Table 70

1 100 EUR

Period : 20th century

Condition : Parfait état

Length : 77

Width : 77

Height : 52

Description

Very high quality 70s coffee table because the base is entirely made of stainless steel. Four round overflowing legs frame the belt that supports the top made of a magnificent mahogany burl in which stainless steel threads are embedded. I added an 8 mm glass slab to protect everything.
