Description
-------------

Probably for a hanging lamp, here is an interesting bracket. In bronze, composed of two screwed parts, an openworked plate with a human mask on which the arm rests. A fantastic animal fit with a hook in the lower part, a rounded openwork shape with foliage decoration supports the arm which ends with the same fantastic animal, also ending with a hook. Nice antique quality, genuine patina. Excellent condition. No flaw. To be cleaned. European working, most likely French, dating from the second half of the 19th century, in a neo-classical style.
