

Sèvres Porcelain Plate With Green Background And Floral Decoration With Butterflies

4 500 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Diameter : 24

Description

A magnificent hard-paste porcelain plate by the Sèvres Manufactory, dated 1835, featuring a vibrant green ground with finely painted floral bouquets emerging from gold scrollwork, accented with colorful butterflies. The central medallion depicts a blooming flower, surrounded by gilded arabesques. Painted by Jacques-Nicolas Sisson, one of the most skilled members of the renowned Sisson family of decorators, active between 1795 and 1845. Diameter: 24 cm Date: 1835, during the reign of Louis-Philippe Provenance: Commissioned in 1838 by King Louis-Philippe as part of a 60-piece service destined for his sister, Madame Adélaïde, at the Château de Randan. This service was known as "fond vert impressions dorées dans des fleurs". Condition: Very good overall
