

## Old Locker Room Type Bonnet Maker (renovated)

480 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Pine

### Description

Small old pine bonnet cabinet, cloakroom type. Materials: solid pine. Characteristics: this old bonnet cabinet has a door that closes with a metal stopper. It has five shelves (their height is not adjustable but they can be removed if desired). Renovation: this old bonnet cabinet has been completely sanded and washed. In raw wood, it has retained traces of the white paint with which it was covered. Its shelves have been lightly stained. Condition: solid and stable on its feet, this old bonnet cabinet bears traces of its past life. The central hinge of the door is no longer there but its absence in no way hinders the opening and closing of the door, nor does it affect its solidity. Dimensions: L48.5 x D50.5 x H186. Interior: L45.5 x D46. Spacing between shelves from top to bottom: 23-18-23-34-18-49. This
