Description

Italy / 1960 / Mirror / Art Venitien / model
Campanile / Mid-century / Vintage

Very rare and impressive Venetian Mirror, labeled "Art Venitien, Model Campanile" and numbered. This beautiful mirror is a true piece of art, hand crafted in Italian Murano glass with elegant hand-blown Murano scalloped glass leaves, rosettes and flowers, beads and delicate ropes. The mirror is framed by weathered mirrors with Murano glass decorations and has a triangular frieze. The mirror is beautifully shaped with a wooden backing. Every detail of this mirror has been handcrafted with care, entirely by hand, following the techniques of the ancestors, ensuring a unique and authentic Venetian Italian style.

Venetian Mirros are the very idea of class and elegance. They have graced the walls and houses of royalty and are seen as symbols of death and tast around the world.

Glass elements and mirror are in overall very good vintage condition, with some normal traces of use and wear (see pictures).
