

Carolingian Capital - Burgundy - Limestone

1 100 EUR

Period : Before 16th century

Condition : Bon état

Description

Magnificent Carolingian capital decorated with simplified acanthus leaves. Burgundy, Carolingian art, 9th / 11th century. The design of this highly stylized foliage is similar to a capital from the choir of the former abbey of Saint Pierre de Flavigny (Côte d'Or) visible today in the crypt. Height 18cm
