Description

This wonderful "Mrabelle model" service of 121 pieces is very elegant, created in 1976 and discontinued in 1998 in fine Wedgwood porcelain, Bone China, with a refined decoration of golden threads and polychrome flowers, in pastel tones and of great finesse, remarkable for its quality of design, where the flowers dance around the pieces with all the elegance of the famous English Manufacture. A refined and beautiful classic service, complete with many pieces, with a beautiful glaze in perfect condition for pieces that have been used little, like new, and whose decor and the quality of this rare set, which is sold separately, remains at a high price level... See the title according to the photo list, for the rest the stamped brand justifies the exceptional character of such tableware that one
