Description

African Baoulé statue ?? COLLECTION OF DOCTOR REDOR. Height: 47 cm If there is a term that fits Jean Redor like a glove, it is that of passionate. The years have not changed anything. This man has always lived for and with art. "Without him, I would be dead", "I was introduced by my mother, who had a taste for beautiful objects". His criteria? Love at first sight and authenticity. A collector since he was 18, Jean Redor has almost never resold these pieces that he loved all the same way.
