

Two Antique Oak Corner Cabinets With Curved Cupboard Doors With Their Frame

980 EUR

Period : 19th century

Condition : Très bon état

Material : Oak

Width : 80

Height : 214

Description

Two old cupboard corners in a beautiful oak, one left pull, the other right pull, in a beautiful oak, never painted, in very good condition. They have their generous origin frame. Dimensions des portes : hauteur 214 cm largeur 80 cm Dimensions avec le cadre : hauteur 224 cm largeur 93 cm Very pleasant to place because they provide a large cupboard without having an unsightly right angle which breaks the perspective. Therefore very interesting in an entrance, a vestibule, a corridor (see pictures 6 and 7) Very good quality and the charm of the old, ready to be installed Price of a corner : 980 EUR Careful shipping everywhere - tel 0632315837
