

Adouma Mask Gabon

700 EUR

Period : 20th century

Condition : Etat d'usage

Description

A video to see it from all angles => Adouma mask Interesting Adouma mask with its beautiful cubist lines, and its classic polychromy, these masks are quite rare, it does not seem that this mask danced, in addition some fixing holes have been blocked, so either a hut mask or an altar mask. Also note the beautiful line of the eyebrows in the shape of a mustache. Height 42 cm, significant wear.
