Length : 19 cm.

Width : totale 17 cm ou bassin 10,5 cm

Height : 8 cm

Description

A wonderful and extremely rare pair of Louis XV period sauceboats in solid silver with the hallmark of the city of Mechelen (Malines in French) for the year 1759. Hallmarked by a master silversmith stamping a bunch of grapes. During the nineteenth century, an owner had the neo-Gothic initials ADB engraved on one side of each sauceboat. Inside, there is a gilt that has been quite worn by time.
